***Re: Soley v. County of Nassau, et. al.
Docket No. CV-18-377(ARR)(SJB)***

Dear Magistrate Judge Bulsara:

This office represents the Nassau County municipal and police officer defendants in the above-referenced matter. The purpose of this letter is respectfully request, with the consent of all parties, that the Court adjourn (1) the date for filing ex-parte settlement letters (presently January 21, 2022) and (2) the settlement conference scheduled for January 25, 2022.

The reason for this request is that defendant D.J. Rosenbaum, a former Nassau County Assistant District Attorney represented by the law firm of Lewis Johs Avallone Aviles LLP, has filed a motion to dismiss plaintiff Ean Soley's Second Amended Complaint pursuant to Fed. R. Civ. P. 12(c). Defendant Rosenbaum's fully briefed motion was filed on December 8, 2021 [DE 105] before the Hon. Allyne R. Ross, and a decision from Judge Ross is still pending. Defendants believe that Judge Ross's determination of the motion will have a significant impact on the parties' settlement positions and that at this juncture, it is premature to file settlement position letters and hold a settlement conference. After the motion is decided by Judge Ross, the parties will be in a better position to assess the potential for settlement.

Therefore, the parties respectfully request that the Court adjourn (1) the date for filing ex-parte settlement letters (presently January 21, 2022) and (2) the settlement conference scheduled for January 25, 2022. Thank you for your attention and consideration in this matter.

Respectfully submitted,

/s/ Ralph J. Reissman
